## Spring Fundraiser

*April showers bring May flowers...*

The 2009 Spring Fundraiser packets are in and ready to be sold in time for Easter break. We're hoping to wrap up the fundraiser by April 20th in time for a May distribution. Girls can sell bulbs in \$10.00 packets to their family, friends and neighbors. Please be sure to have your daughter dress in uniform when going door-to-door!

We're hoping to exceed our fall fundraiser goals and getting all the girls involved in the effort. Our goal is to cover some costs of the badges, which will be distributed June 1st at the closing ceremony, and also the additional \$20.00 per girl fee that has been tacked on by AHG this year, 2009.

We will meet at Deneweths immediately following school dismissal. Girls can be picked up at 5 PM and parents are welcome and encouraged to stay. The cost is \$6.00 per girl, no cost for

adults and chaperones. This field trip is a "Come Learn and Grow" guided tour, an hour and a half long, exploring irrigation, potting methods, plant anatomy and retail sale of plants. Snacks will be provided. Please see attached brochure on following page. Deneweths is located on the North side of 22 Mile, between Hayes & Romeo

## DMC CHILDREN'S HOSPITAL BAND-AID DRIVE

***Band-aid Drive, May 4th - bring a box of character band-aids, LATEX FREE only!***

AHG Troop MI0356 is running a band-aid drive the meeting of May 4th to support the DMC Children's hospital of Michigan. Please bring a box (as many as you wish!) of character style band-aids, latex free only. No brand need be specified, but please be sure it is latex free.

At this band-aid drive meeting we will be writing notes and making cards for a hospitalized child at the DMC. This will be a service oriented project, and the last one of the school year. We had two others: Christmas Caroling and Valentine's Day cards for some who were sick.

Prayers for the patients at the children's hospital will be made, and a list of first aide products

found around the house will be discussed too.

Many of the generic brands found at Meijer and Wal-Mart have latex free band-aids too!
