

ST. PETER LUTHERAN CHURCH & SCHOOL

- Beginning May 1st, Kroger starting tracking Kroger Plus cards in their new community Rewards Program. You no longer will earn credit by reloading your Kroger Gift Cards. Kroger has a new program called Kroger Community Rewards.
- The more cards friends and family you can get to register their Plus Cards, the more you will earn off your Tuition (75 % toward Tuition, 25% to the General Fund). The new program makes it easier than ever to shop and earn for St. Peter. Give me the name of everyone you register and I will make sure you receive credit each time we receive a statement!
- Kroger uses your home address to track its Plus Card accounts—these cards will automatically be linked together.
- Kroger has changed the way they figure the percentage—it is no longer a constant 5%. We can earn more than 5% if we have more people participating. The percentage is based on our participation in the program.

REGISTER EVERYONE YOU CAN!!!!

- **Anyone who needs help registering can call me—I am more than willing to help you register your card online! www.krogercommunityrewards.com**
- If you are using the barcode, remember you **must call the 877 number on the letter in order to be included in the program.**
- We are registered as : St. Peter Lutheran Scrip (organization number: 83017)
- You will still be able to purchase gift cards to other stores at Kroger and have them count (we didn't know this before) - Kroger Gift cards will not count. Fuel and Alcohol will not apply.
