

Though the summer is still in the distant future, now is the time when we begin preparing for our summer mission trips. These trips are special opportunities for us to travel “into all the world” and impact the lives of people. It’s a chance to take the faith we believe and live out within our congregation and community throughout the year and share it within a different setting and context. It moves us outside of our box as we step forward to make a difference.

Come and be a part of something bigger than yourself.

Come and make a difference in the lives of others.

Come and join us this summer!
