## Cliffnotes ~ September 2011

To my parents and students,

Our Cliffnotes this quarter is packed with tons of information for all of our families. My hope is that through the Cliffnotes, student ministry Facebook page, church announcements/keynotes, the school Monday updates, and other venues that the word is getting out to each of you about all of our events. And if you know someone who is always asking, "What's going on?," please direct them to our various communication pieces designed to keep all of you informed.

Now, with that said, the main thing I want to communicate this quarter before all of the dates and times is this: THANK YOU!!!

- Thank you to all of our members who helped make our summer mission trips possible. Through your support of Hands To Hearts, personal scholarship donations, continued encouragement, and lots of prayer, we were blessed to be able to take 61 people on a summer mission trip this year.
- Thank you to all of the adults who volunteered to chaperone our trips and to the parents who entrusted their children to us. We take this opportunity/responsibility very seriously.
- Thank you to our students who year in and year out give of themselves for the sake of the Gospel both locally and in the world around us.
- And most importantly, thank you to our Lord and Savior who continues to keep His hand upon us and allows us to be a part of the work that He is doing in the lives of others. May we always be about Jesus first and foremost!

Peace,  
Bo

Thank you
