## Cliffnotes—March 2009

### A NOTE FROM BO ...

Last month I mentioned the word "change." Not as some overused political slogan or some pie in the sky wish. No, I mentioned change because I believe within the Body of Believers, especially at St. Peter Lutheran Church, there is a call for us to make some real and powerful changes.

Change in the sense of taking steps forward in regards to living out the faith we profess. Getting off of the sidelines and getting into the game if you will. And my first challenge was this; we have to get ourselves and our fellow members back into church and back into worship. When the family is not together so much is missed for everyone involved.

So, what does it take to start to see people make that step forward. I could list a dozen things, but I think it is probably best that I keep quiet and let the encouragement, direction, and power of God's Word speak.

**Therefore, brothers, since we have confidence to enter the Most Holy Place by the blood of Jesus, by a new and living way opened for us through the curtain, that is, his body, and since we have a great priest over the house of God, let us draw near to God with a sincere heart in full assurance of faith, having our hearts sprinkled to cleanse us**

**from a guilty conscience and having our bodies washed with pure water. Let us hold unwaveringly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another—and all the more as you see the Day approaching.**  
*(Hebrews 10:19-25)*

Amen!

Peace,  
Bo

Would you consider joining us for one hour on Easter morning to assist the Men's Ministry in their serving of the Easter Breakfast?

What I would like to have is 3 or 4 dads per shift with their sons. It is a great way for us to serve the congregation, help the Men's Ministry, work alongside each other, and lead by example.

If interested, please contact me at 586-992-9816 or by email at [bchapman@splcs.com](mailto:bchapman@splcs.com).
